I Alex Terrell Adams An Inmate At the Racine County Jail on 4-29-16 was taken to the out side Hospital for having A seizure. I was then brought back to the Racine County Jail And placed in A observation room with a camera, so that I could be watched. I was left in the camera room for about An Hour, or Two, And then placed in A Intake cell without A camera by myself again I was not being watched. I had another seizure And was not checked on again until lunch

the officer who served breakfast did not check on me the only time I was checked on was after lunch when a nurse and officer of Racine county Jail found me unresponsive I was fighting for my life until I couldn't fight anymore. I woke up to nurse Aaron, (Airin) having two ammonia pads in my nose, her hand over my mouth while having latex gloves on, suffocating me pushing down with tremendous force while officers and nurses was holding my hands and feet down. One of the Racine county Jail officers had to tell nurse Aaron (Airin) I was conscious, and breathing. I was turned on my side by a Racine county Jail staff and I could not breathe still because the ammonia pads was still in my nose. nurse Aaron (Airin) then took the pads out. Every since this incident I have problems breathing. I stated to nurse Aaron (Airin) why would she put ammonia pads up my nose and cover my mouth & nose while she had on latex gloves, nurse Aaron never spoke a word. All the other nurses and officers heard me ask her.
